This book is a supplement to “Go Set a Watchman” and intended to enhance the experience of reading the original book. We recommend purchasing the full version of “Go Set a Watchman” on Amazon in addition to this book.

Introduction

Maycomb, Alabama. Twenty-six-year-old Jean Louise Finch—"Scout"—returns home from New York City to visit her aging father, Atticus. Set against the backdrop of the civil rights tensions and political turmoil that were transforming the South, Jean Louise's homecoming turns bittersweet when she learns disturbing truths about her close-knit family, the town, and the people dearest to her. Memories from her childhood flood back, and her values and assumptions are thrown into doubt. Featuring many of the iconic characters from To Kill a Mockingbird, Go Set a Watchman perfectly captures a young woman, and a world, in painful yet necessary transition out of the illusions of the past—a journey that can only be guided by one's own conscience.

Benefits

- Spend less time reading and more time enjoying your favorite books.
- Find important details you may have missed the first time.
- Know what other people thought about the book.
- Reveal the hidden meaning of important characters and events.
- Stay on track while reading books with many characters and locations.
- Review the story before reading the sequel or watching the movie version.
- Prepare for a book club conversation or online discussion.
- Continue reading an unfinished book while remembering key details.
