Rule #1

Rule #1 Sasha Pearl
There have to be rules and order to everything, spoken and unspoken. And if the rules don't work, then at least they are a starting point. So rule #1 is no one I already know, no one you already know. This we agree on easily. Rule #2 is that I get to pick. You don't have to agree, but give this one a chance.... let me fish and you can sit back and watch. I always come home from the grocery with phone numbers, I come home from the mall with a new Facebook friend, always hot chicks, always bouncy tit tight asses. I can pick them, and they pick me too. So please leave that to me. Rule #3 is that whatever I do to her, you have to do to me later. And whatever she does to you, I'll do to you later (and better).
