The Bible: Beyond the Impasse

William J. Abraham

The Bible: Beyond the Impasse William J. Abraham
For centuries the Bible has been the backbone of Christianity and of Christian theology. Yet it has also been the subject of fierce controversy. Truth be told, theorizing about it (as opposed to reading it) has been the cause of massive loss of faith among Christians. An inflated and exaggerated vision of the Bible has caused believers to stumble rather than grow in the faith. In turn lovers of the Bible have turned in hostility against those who do not share their supposedly high vision of its worth and role. In ‘The Bible: Beyond the Impasse’ William J. Abraham tracks the problem back to its source. Astonishingly, well-meaning theologians invented an approach to Holy Scripture that backfired with a vengeance by fostering skepticism about the place of the Bible in the life of faith and in theology itself. Happily, more recent scholarship, represented by leading evangelical scholars like Bishop Tom Wright, has tried to find a constructive way beyond the battle for the Bible. However, as the diagnosis does not go deep enough, the solution remains incomplete and fragile. Abraham argues for a more accurate account of what has gone wrong and develops a more fruitful way forward. The result is a book that will provide a vision of the Bible that is spiritually liberating and intellectually bracing.

From reader reviews:

Mary Clark:

Information is provisions for anyone to get better life, information currently can get by anyone in everywhere. The information can be a know-how or any news even a problem. What people must be consider whenever those information which is within the former life are difficult to be find than now's taking seriously which one would work to believe or which one the actual resource are convinced. If you find the unstable resource then you obtain it as your main information you will see huge disadvantage for you. All of those possibilities will not happen throughout you if you take The Bible: Beyond the Impasse as the daily resource information.

Ramona Wegener:

Reading a guide tends to be new life style in this era globalization. With reading you can get a lot of information that may give you benefit in your life. Having book everyone in this world may share their idea. Books can also inspire a lot of people. A great deal of author can inspire their own reader with their story or their experience. Not only the storyplot that share in the ebooks. But also they write about the information about something that you need case in point. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors on this planet always try to improve their skill in writing, they also doing some analysis before they write to the book. One of them is this The Bible: Beyond the Impasse.

Juan Hinkson:

Playing with family inside a park, coming to see the sea world or hanging out with friends is thing that usually you may have done when you have spare time, then why you don't try thing that really opposite from that. One particular activity that make you not feeling tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love The Bible: Beyond the Impasse, it is possible to enjoy both. It is excellent combination right, you still want to miss it? What kind of hang-out type is it? Oh seriously its mind hangout people. What? Still don't understand it, oh come on its known as reading friends.

William Sanchez:

In this era which is the greater particular person or who has ability in doing something more are more precious than other. Do you want to become among it? It is just simple approach to have that. What you should do is just spending your time little but quite enough to experience a look at some books. On the list of books in the top collection in your reading list is The Bible: Beyond the Impasse. This book which is qualified as The Hungry Slopes can get you closer in becoming precious person. By looking right up and review this reserve you can get many advantages.
