The Unholy Ghost Christine Abrahams
"The Unholy Ghost" has been described as a journey of ideas and storytelling that combines the religious intrigue of Dan Brown with the magical worlds created by Margaret Atwood. Christine Abrahams takes the reader on a non stop, thrill ride adventure that also leads one to evaluate their own spiritual beliefs. In this spiritual thriller, you enter the world of horror encountered by two people who are destined to love and also fated to bear the next savior, while battling a mysterious force unleashed by the Roman Catholic Church aimed to save humanity. Sarah, a therapist with a spiritual nature and an affinity for the occult will bear a son who is destined to move humankind to its next evolutionary stage, or so says a prophecy. A prophecy that she only begins to learn about once she meets and falls in love with John, a Maori/Mexican retired New Zealand police officer with a powerful spiritual lineage. But the Roman Catholic Church and the Pope are bent on making sure that this prophecy never comes true and that the child is never born. Thus begins a dazzling and entertaining story that takes you on a whirlwind tour across the globe. "The Unholy Ghost" is a book that will challenge your beliefs and take you on a journey to the heart and soul of masterful storytelling. It takes you on a inspirational ride between Christianity and Maori spirituality that will send chills up your spine while lifting your spirits with the wonders of the human experience. Christine Abrahams provides a metaphysical love story that is like no book you've ever read before.
