Isaiah Speak to Modern Times

W. Cleon Skousen

Isaiah Speak to Modern Times W. Cleon Skousen
Here, at last, is an exciting and thoroughly readable book which provides a verse-by-verse commentary on Isaiah, one of the most important books in the Bible.

Part I presents the incredible story of Isaiah himself. The reader not only becomes acquainted with the sensitive and scintillating personality of this prophet, but also discovers the unfolding of 2,700 years of kaleidoscopic future history as Isaiah saw it in prophetic vision.

Part II of this book makes a most unique contribution by presenting for the first time in this much detail, a comprehensive verse-by-verse commentary on the entire book of Isaiah. The reader may be surprised to learn how much of Isaiah's writings were devoted to prophecies concerning our day.

Hundreds of passages which have previously seemed obscure or confusing are treated with remarkable clarity and insight in this book.

W. Cleon Skousen has made a lifetime study of the Bible and the reader will soon appreciate why his lectures on Isaiah have proven so highly popular during the past fifteen years.

In this book the reader may be surprised to learn how much of Isaiah's writings were devoted to prophecies concerning our day. After reading the text of this great prophet's discourses, we can literally say "Isaiah Speaks to Modern Times."

Footnotes linked within the text. Complete table of contents.
