Who has not been thrilled and not a little frightened by tales of ghosts, spirits, hauntings, and monsters? Some of the most fascinating accounts come from the dark hollows of the Ozark Mountains. For generations, these scary, mystifying legends have been told around campfires and family gatherings and handed down through the generations. Now, for the first time, the best of these tales have been gathered together and presented in this volume. Award-winning author W.C. Jameson spent years collecting and researching these spellbinding yarns.
