The Pillars of the Earth by Ken Follett | Summary & Study Guide BookRags
The Pillars of the Earth is a departure from author Ken Follett's typical suspense thriller. However, like his spy novels and fast-paced adventure tales, The Pillars of the Earth is meticulously researched and offers an insider's glimpse at the richly detailed world that his characters inhabit. The world he presents in this saga-length novel is England during the twelfth century.

This study guide includes the following sections: Plot Summary, Chapter Summaries & Analysis, Characters, Objects/Places, Themes, Style, Quotes, and Topics for Discussion.
