Tunnel Visions

Kurt Kamm

Tunnel Visions Kurt Kamm
Tunnel Visions is a work of faction a blend of fact and fiction. It weaves together the historical details of an actual water tunnel disaster in Los Angeles, the current struggle for control over California's diminishing water supply, and a fictional plot to attack the Los Angeles water system. Digging 5 miles inside a Los Angeles MWD water tunnel in 1971, Willie Carter was one of the 17 men killed by a methane explosion in what became known as the Sylmar Tunnel disaster. Nick Carter, Willie Carter's son, is a firefighter trained in urban search and rescue (USAR) operations. His fiancée, Cindi, is an ATF Special Agent. On a Sunday in 2014, they are swept up in a massive Homeland Security response to a terror alert in Los Angeles. At the end of Tunnel Visions, when Nick makes a desperate entry into the gas-filled Sylmar Tunnel in an attempt to save Cindi and prevent a disaster, his past and present are brought together in a shocking way.
