Records Administration

United States Government Manual 2013: The Official Handbook of the Federal Government Records Administration
This newly revised edition of the United States Government Manual 2012–2013 provides up-to-date information regarding the activities of federal agencies, as well as the names of top officials in the presidential administration, U.S. Senate, and U.S. representatives. Readers will find crucial information on the legislative, judicial, and executive branches of government. In addition, the United States Government Manual 2012–2013 contains a complete list of federal acronyms and abbreviations, numerous organizational charts, critical documents such as the Declaration of Independence and the Constitution, and more. This special edition includes contact information for each agency for employment, government contracts, acquiring publications, films, and numerous other public services. A critical resource, especially during an election year, the United States Government Manual 2012–2013 is a must-have for anyone looking for information regarding:

- national security
- the Department of Agriculture
- environmental regulations
- economic and consumer protection
- government cooperation with specific independent establishments
- energy and nuclear regulation
- USAID
- and more!
