Queensland sheep station owner Jack Prescott wasn't ready to be a full-time father. He'd do his duty and care for his orphaned nephew, but he had no place in his battered heart for a baby...or for guardian Madison Tyler, the woman hell-bent on disrupting his life.

Yet Jack couldn't ignore the attraction he felt for Madison. Their affair was fast and furious...and soon fraught with regret. The city girl's stay in the Outback was only temporary and Jack had a little boy to care for. How could they even consider bargaining for more time when neither was prepared for forever?
