Dynamic Thought - This Edition contains the 13 Lessons and the Advanced Postgraduate Lesson
Henry Thomas Hamblin
How to reach Harmony, Health, Success, Achievement, Self-mastery, Optimism, Prosperity, Peace Of Mind, Through The Power Of Right Thinking.

I want you to realize:

That within you are infinite power and possibilities.

That the inward Power can be aroused and brought into expression by holding high ideals in the mind and by affirmations and meditation.

That it is necessary to spend a short time in the Unseen both night and morning.

That by so doing you can enter a super-conscious realm where your word is creative.

That what you speak comes to pass, that what you mentally picture must come true.

That it is only by following high ideals that true success can be achieved.

Therefore, picture a higher life—the highest you can conceive, and affirm that it is yours. Remember that this higher life is without sickness, disease, forward with joy—you can never fail.
