That's My Girl: How a Father's Love Protects and Empowers His Daughter Rick Johnson
A father impacts every aspect of his daughter's life--for her entire life. Fathers model for their daughters how women should be treated, how men should act, and how a man shows healthy love and affection toward a woman. And, perhaps most importantly, he sets the standard for how his daughter feels she deserves to be treated by men. It's plain to see that this is a big responsibility and one that is not always easy to carry out.

In *That's My Girl*, parenting expert Rick Johnson shows men how to develop the close relationships with their daughters that they both crave. Rick's plainspoken common sense, wisdom, and humor meets dads right where they are with stories and advice that will change their relationships with their daughters for life.

Any man who wants to be the best dad possible to his daughter, as well as mothers and adult daughters seeking to understand the men in their lives, will love this hope-filled book.
