A Sleeping Life

Ruth Rendell

A Sleeping Life Ruth Rendell
Rhoda Comfrey's death seemed unremarkable; the real mystery was her life.

In **A Sleeping Life**, master mystery writer Ruth Rendell unveils an elaborate web of lies and deception painstakingly maintained by a troubled soul. A wallet found in Comfrey's handbag leads Inspector Wexford to Mr. Grenville West, a writer whose plots revel in the blood, thunder, and passion of dramas of old; whose current whereabouts are unclear; and whose curious secretary--the plain Polly Flinders--provides the Inspector with more questions than answers. And when a second Grenville West comes to light, Wexford faces a dizzying array of possible scenarios--and suspects--behind the Comfrey murder.

Brilliantly entertaining, exceptionally crafted, **A Sleeping Life** evokes the dark realities, half-truths, and flights of fancy that constitute a life.
