Cowboy Crushin' (The Dalton Boys Book 3) Em Petrova
Five brides for five brothers…at least that's the deal the Daltons have struck with their boys. Each son must marry in order to inherit a piece of the ranch they love so much.

Shelby has pulled up roots—again—and taken her funds from her latest divorce settlement to open a candy shop in Vixen, Texas. She wants better for her son than new men parading through his life because his mom can't get herself together. The small town is the perfect place to avoid male interest—mainly because there aren't many available.

When Witt spies the curvaceous new candy shop owner, he suddenly has a sweet tooth. Trouble is, so does every other man in the vicinity, including his brother Kade. Shelby seems to crave male attention, and they flock to her like bees to honey-flavored hardtack, though nothing she says or does seems genuine. Who is she really?

Burning to uncover her mysteries, Witt spends so much time in town that the ranch suffers. Afraid another man will snag her up, Witt sweeps her and her son away.

The Daltons feel like the family she's never had and the gorgeous cowboy demands entry to her heart, but the fortress she's built has deep foundations. Will she ever be ready to give her whole self?
