"How can I get my wife to have more sex with me?"

When you decided to get married, you probably assumed that it was going to be "sex on demand" for the rest of your life.

You were wrong :(

If you've been married for a few years (and especially if you have kids), you and your wife almost certainly don't have sex as often as you would like.

Maybe you've even stopped having sex altogether.

In fact, 85% of married men are dissatisfied with their sex lives.

So what can you do?

You can get angry. You can argue with your wife. You can beg and plead.

As you've probably found out, none of these strategies work.

Only one thing will work:

You need to seduce your wife, using advanced psychological techniques.

Similar to hypnosis, any man can learn the persuasion techniques that work on women.

We're not talking about cheap pick-up lines.

We're talking about scientifically proven persuasion techniques that will work on your wife's unconscious, her mind, and her body.

After you read this book, you will know all of the "Jedi mind tricks" that work on women.

You will learn:

- How to control your wife's mind, without her being aware of it
- The secret ways to touch your wife that will make her go crazy for you
- How to get your wife in the mood, even while you are still at the dinner table
- How to make your wife happy and eager to please you in bed, by making her feel an irresistible attraction for you
- The best words to use to seduce your wife
- The best times of the month to seduce your wife

This book will teach you everything you need to know to seduce a woman.

Are you ready to get back to having the kind of sex that you had when you were first dating?
