God s time often differs from our time says the author, and in this compelling book (written with Rabbi Akiva Feinstein), he provides spiritual insights about how to cope with constant change and the worry about the future that comes with it. His hope is that when using this book, readers will become increasingly aware of God at work in the universe and within the context and changes of their own lives. He believes that this growing awareness will make a profound difference in the way they live.

Living at God's Speed, Healing in God's Time is arranged into four distinct sections and each represents a key aspect of spiritual growth. Brief Connecting Points and prayers follow each reflection in these four sections to help readers relate what they have read to their personal life and circumstances.
