Scar Tissue

Anthony Kiedis, Larry Sloman

Scar Tissue Anthony Kiedis, Larry Sloman
As lead singer and songwriter for the Red Hot Chili Peppers, Anthony Kiedis has lived life on the razor's edge. So much has been written about him, but until now, we've only had Kiedis's songs as clues to his experience from the inside. In *Scar Tissue*, Kiedis proves himself to be as compelling a memoirist as he is a lyricist, giving us a searingly honest account of the life from which his music has evolved.

Now in *Scar Tissue*, Anthony Kiedis defies the rock star clichs. In his telling, we can see everything he has done has been part of a passionate journey. Kiedis is a man "in love with everything" -- the darkness, the death, the disease. Even his descent into drug addition was a part of that journey, another element that he has transformed into art.
