The Mississippi

Theodor Geus

The Mississippi Theodor Geus
"Mark Twain's *Life on the Mississippi* and *Huckleberry Finn* have stamped on the world's imagination for all time the picture of Mississippi River travel. Forever the big river will be locked in the ninteenth century, flanked by live oaks festooned with Spanish moss and peopled by steamboat pilots spinning gigantic steering wheels to battle treacherous currents, scalawag boys running away on jerry-built rafts, and handsome card sharps skinning their victims with their irresistible charm and appalling morals."

So writes Bern Keating in the introduction to this extraordinary representation of America's most celebrated river. in pictures and prose, author Theodor Geus and a group of distinguished photographers show us the many faces of the "Father of Waters," following the route of the French and Spanish explorers to the river's headwaters near the Canadian border and south to the Passes of the Mississippi Delta?more than two thousand miles of scenic grandeur.

Along the way are the sights and sounds of today's Mississippi, from the wild rice fields of Minnesota, past Indian mounds, logging camps, dairy farms, and spectacular bluffs, past abandoned utopias and thriving industrial cities, to the antebellum riverboat towns and sultry bayous of the Deep South, to the teeming marshlands of the Delta.

Here too are the people whose names are forever associated with the Mississippi?from De Soto, Marquette, and La Salle to Mark Twain, William Faulkner, and Louis Armstrong.Geus's informative and entertaining text complements the 150 superb color photographs by Nathan Benn, Thomas England, Joseph Holmes, Larry Knutson, Clyde Lockwood, Jerry Stebbins, and others. Here is a treat for the lover of history, the armchair adventurer, the wildlife enthusiast, and all who care to follow the lure of the mighty Mississippi.

From reader reviews:

Regina Rodgers:

Reading a guide can be one of a lot of task that everyone in the world loves. Do you like reading book and so. There are a lot of reasons why people enjoyed. First reading a guide will give you a lot of new information. When you read a reserve you will get new information due to the fact book is one of many ways to share the information or even their idea. Second, looking at a book will make you actually more imaginative. When you examining a book especially fictional works book the author will bring someone to imagine the story how the character types do it anything. Third, you can share your knowledge to other folks. When you read this The Mississippi, you may tells your family, friends in addition to soon about yours publication. Your knowledge can inspire the others, make them reading a reserve.

Tisha Betancourt:

Reading a book tends to be new life style on this era globalization. With reading through you can get a lot of information that can give you benefit in your life. With book everyone in this world can easily share their idea. Publications can also inspire a lot of people. Lots of author can inspire their own reader with their story or even their experience. Not only the story that share in the publications. But also they write about the knowledge about something that you need illustration. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that you can get now. The authors nowadays always try to improve their talent in writing, they also doing some exploration before they write for their book. One of them is this The Mississippi.

Rebecca Esquivel:

The reason? Because this The Mississippi is an unordinary book that the inside of the book waiting for you to snap the idea but latter it will shock you with the secret it inside. Reading this book next to it was fantastic author who else write the book in such incredible way makes the content interior easier to understand, entertaining method but still convey the meaning entirely. So , it is good for you for not hesitating having this any longer or you going to regret it. This book will give you a lot of advantages than the other book have such as help improving your ability and your critical thinking way. So , still want to postpone having that book? If I have been you I will go to the guide store hurriedly.

Ruth Morefield:

Does one one of the book lovers? If yes, do you ever feeling doubt if you find yourself in the book store? Try and pick one book that you find out the inside because don't ascertain book by its include may doesn't work is difficult job because you are afraid that the inside maybe not while fantastic as in the outside search likes. Maybe you answer could be The Mississippi why because the wonderful cover that make you consider in regards to the content will not disappoint a person. The inside or content is definitely fantastic as the outside or even cover. Your reading sixth sense will directly assist you to pick up this book.
