Beside the Still Waters

H. M. Mann

Beside the Still Waters H. M. Mann
North Carolinian Claire Kelly vacations most summers at Aylen Lake in Ontario, Canada, near the tiny town of Barry's Bay. On a not-so-chance visit to town, Claire meets Mitchell "Mac" Macdonald, a blissfully single wood sculptor and fishing guide who would rather look for wood to carve or a new lake to fish than look anywhere for love.

When Claire blazes into Mac's life, Mac's world--and eventually Claire's--will never be the same.

Told with humor, warmth, and soul, and infused with heavy doses of old school church music, BESIDE THE STILL WATERS will keep you believing that God's love is always possible, even between two people who aren't looking for it.

From reader reviews:

Susan Jun:

The book Beside the Still Waters can give more knowledge and information about everything you want. Why must we leave a good thing like a book Beside the Still Waters? A few of you have a different opinion about e-book. But one aim in which book can give many data for us. It is absolutely appropriate. Right now, try to closer together with your book. Knowledge or facts that you take for that, you could give for each other; it is possible to share all of these. Book Beside the Still Waters has simple shape nevertheless, you know: it has great and big function for you. You can appear the enormous world by open up and read a reserve. So it is very wonderful.

Donnie Matthews:

Reading a reserve tends to be new life style on this era globalization. With studying you can get a lot of information that may give you benefit in your life. With book everyone in this world may share their idea. Ebooks can also inspire a lot of people. A great deal of author can inspire their reader with their story as well as their experience. Not only the storyline that share in the publications. But also they write about the data about something that you need example of this. How to get the good score toefl, or how to teach your young ones, there are many kinds of book which exist now. The authors on earth always try to improve their talent in writing, they also doing some investigation before they write for their book. One of them is this Beside the Still Waters.

Gladys Dearth:

Are you kind of active person, only have 10 or perhaps 15 minute in your moment to upgrading your mind proficiency or thinking skill even analytical thinking? Then you are experiencing problem with the book in comparison with can satisfy your short space of time to read it because this time you only find publication that need more time to be learn. Beside the Still Waters can be your answer since it can be read by a person who have those short spare time problems.

Raymond Jackson:

As a pupil exactly feel bored in order to reading. If their teacher questioned them to go to the library as well as to make summary for some book, they are complained. Just little students that has reading's heart or real their passion. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that looking at is not important, boring along with can't see colorful pics on there. Yeah, it is being complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Beside the Still Waters can make you experience more interested to read.
