35 Outstanding Prepper's Hacks To Build A Bunker

This book offers you 35 great tips and suggestions on how to build and equip a bunker to survive a disaster.

This is not something we like to think about but the truth of the matter is the world is having more natural and man made disasters occurring now than ever before. So we must start thinking that there is a chance that a disaster could occur in the area that we live. It is certainly better to be prepared for the worst than not prepared at all. This book will help to give you important and perhaps even life saving suggestions that you can make use of to help save the lives of you and your loved ones.

The situations we will cover together are

• Building Your Bunker

• Location of Your Shelter

• Bunker Designs

• Bunker Building Continued

• Survival Plans

• Things to Consider when Building a Shelter.
