Night Wars Graham Masterton
They are five ordinary people, forced to do battle on the most terrifying field imaginable: the landscape of nightmares. They are the Night Warriors and only they can defeat the evil that has invaded our world through our dreams. Only they would even dare to try.

Two of the cruelest and most horrific apparitions ever seen are attempting to destroy our world by entering the dreams of expectant mothers. They bring with them armies of nightmare creatures, horrible beings that could only spring from someone's worst fears. It is against these demons, in an unreal world of terror, that the five Night Warriors must prepare to fight the Night Wars.
