Sometimes when everything's lost, it's just the beginning. Tossed by a storm, torn by grief, and with his world turned upside down, Morgan clings to the one woman he knows can bring some peace into the chaos that his life has become--Lara. It's not easy to love a complicated man. It's even harder when he builds a maze around his heart. She's looking for answers but life just keeps throwing more questions at them both.

There's a dead sister who is now alive, ashes in the ocean and a tiny grave on a lonely beach. Lara and Morgan have learned that sorrow often follows joy and love isn't always enough to keep it in the shadows.

This is a full length (50,000 words) novel. It is meant to be read following Hooked (Part 1 and a gift from the author on Amazon) and Wrecked (Part 2). This is adult contemporary romance with scenes and language intended for mature readers who enjoy a five-chili hot read that will keep you up at night. It is also very much a romance, so expect your share of the kinds of things you wish someone would say to you. In the throes or out of them.
