Secrets of Cherry Lake: Books Three and Four Roxanne Snopek, Jeannie Watt
Small Town Secrets

Love lasts a lifetime...

The graduating class of Cherry Lake High School is celebrating their freedom with the traditional camp-out in the Jackson Cherry Orchard on the banks of Flathead Lake, Montana. Among the revelers are four cousins, the grandchildren of town founder and patriarch Nate Jackson, a man who knows first-hand how a life can change on grad night and the personal sacrifices that may be necessary months later.

Joining him on his annual vigil as twilight descends is Pansy Oppenheimer, a free spirit, who left Cherry Lake after graduation to wander the world. She mysteriously returns years later when Nate needs her friendship the most. As they keep watch at the edge of the orchard, they reminisce about their lives and choices; none of them easy, but all of them necessary. Nate and Pansy feel that they are guardians of the town, its children and keepers of their secrets.

Little does anyone know that they harbor a secret of their own...

Her Secret Protector

Naked pictures never die...

A private photograph, taken long ago and far away, has come back to haunt good, sweet Carrie Logan, Cherry Lake's family photographer. For help containing this secret and the scandal it will cause, Carrie turns to Ethan Nash, the reclusive guy with the big dogs and bad attitude.

The big, bad cyber-security specialist takes one look at the photo of young Carrie, dancing in her altogether, and it knocks the stuffing out of him. He's pretty sure she's hooped - once something's on the internet, it's there forever, baby - but he has to try and help her anyway.

But it turns out that he needs her help far more than she needs his.

The Secret Bride

She’s not running anymore…

After a decade away, Jacie Rose has returned with her daughter to Cherry Lake to renovate a historic hotel…and to lay some ghosts to rest. She knows she’ll have to confront mistakes she made in the past, but she didn’t expect to be living right next door to the guy she once asked to be her husband.

When Brett Jackson was approached ten years ago by Jacie Rose with the wild scheme of marrying her to help her out of a jam, his white knight instincts kicked in and he agreed to be her emergency groom. The only problem was that the bride didn’t show up for the wedding. How’s he supposed to get used to seeing the woman he’s never forgotten every day now that she’s his neighbor?

Determined to provide the secure home life for her daughter that she never had, Jacie is not about to bring a

man into her life—even one that she sometimes thinks should have been there all along. But Brett and Jacie soon discover the spark between them is even stronger than before… Now that their paths have crossed again, will they lead them back to the wedding that almost was?
