**"Seek First the Kingdom of God"** Michael Peterson
The Kingdom of Heaven is real...the blessings of the Kingdom of Heaven are real...in fact; from the beginning of time, God created man to live from the vast richness of His heavenly kingdom - on earth. The Kingdom of Heaven is invisible yet seen everywhere; intangible yet impacts everything; eternal yet influences every tick of time.

With such an immeasurable footprint witnessed throughout all of time, how is it that so many human-beings fail to live from heaven's treasury? The answer to such a question is simple...Few understand how the Kingdom of Heaven works!

In the book, "Kingdom Economics: 9 Keys That Release Heaven's Life-Changing Blessings - Now!, you will discover that heaven has an economy...that supersedes that of the earth. It has economic policies that prevent it from ever experiencing inflation, deflation, recessions or depressions. In this extraordinary composition of literature, you will learn the stark differences between the kingdom(s) of the world, versus the Kingdom of Heaven...and believe me...there are HUGE differences!

Through the ideas presented in this book, the reader will discover the value of living a life predicated not on what you see; but what God has spoken. The reader will also uncover what it means to be rewarded for simply responding to the ideas God gives you. The partaker of this literary work will learn to produce more...while working less.

You will find these series of books to be a must read...for years to come. You will undoubtedly encourage your friends and loved-ones alike to not only read Kingdom Economics: 9 Keys That Release Heaven's Life-Changing Blessings - Now!, but to live kingdom economics. For the principles contained here are truly life-changing!
