Spain is Different (Interact Series)

Helen Wattley-Ames

Spain is Different (Interact Series) Helen Wattley-Ames
Spain is Different focuses on the uniqueness of both the Spanish people and their culture and examines what effect differences have on the way Spaniards and Americans relate to and interact with each other. It looks at how Spain has evolved from a travel destination - a source of "sun and cheap wine" - to a dynamic modern society. It depicts a people proud of their accomplishments, yet working hard to maintain valued traditions in the face of increased buying power and more European and American influence. The new edition of Spain Is Different features extensively updated and revised sections on women, particularly in the workplace, and has added new sections on minorities and immigrants and on ethics and corruption. This book will be welcomed by anyone looking for clear guidelines on how to be most effective when encountering the people and culture of Spain.
