The Koreas Charles K. Armstrong

Presenting a succinct, historically informed introduction to North and South Korea, the second edition of *The Koreas* considers the radically different ways these countries have dealt with the growing challenges of globalization. Since the first edition's publication, the economic, political, and social differences have only intensified, making evident the relevancy and importance of Armstrong's work, in understanding the Koreas now and in the future. Ultimately, *The Koreas* is a crisp, engaging primer of Korea and the Korean people in the contemporary world. This book is ideal for many courses in a variety of disciplines, including politics, history, international business, and Asian studies.
