The North Pole Employee Handbook: A Guide to Policies, Rules, Regulations and Daily Operations for the Worker at North Pole Industries James Napoli
Thinking of working for Santa? Think again!
Discovered somewhere in the vast confines of a Newark warehouse used to store elf clothing for Christmas displays (and right beside a half-pint of rye), this tattered book blows the lid off the inside doings at the North Pole. The holiday workshop has been a secret society for far too long, keeping mum about its office practices, low or non-existent wages, hazardous weather duty, squalid living conditions (elves and reindeer live together), and big-brother snooping. It's even been said that the management can see you when you're sleeping!
The North Pole Employee Handbook reveals everything about how things really get done, from "The Company's" anti-labor-organizing regulations to its strict totalitarian control of the media to its stringent non-compete claus(e) for elves. Santa jolly? We think not. Training, dress code, employee classifications, time sheets, on the job safety, sick leave, official holidays (they don't even get Christmas off!), and much more are all written down here…and now, the truth is out there for us all.
This playful "facsimile" edition of the ancient handbook makes a great holiday gift. Give it to those you love…and save them from the big boss up North!

Margaret Morales:

Many people spending their time frame by playing outside using friends, fun activity together with family or just watching TV the whole day. You can have new activity to shell out your whole day by studying a book. Ugh, do you think reading a book really can hard because you have to accept the book everywhere? It alright you can have the e-book, bringing everywhere you want in your Mobile phone. Like The North Pole Employee Handbook: A Guide to Policies, Rules, Regulations and Daily Operations for the Worker at North Pole Industries which is having the e-book version. So , why not try out this book? Let's find.

Manuel Arndt:

As a pupil exactly feel bored to be able to reading. If their teacher questioned them to go to the library or even make summary for some e-book, they are complained. Just tiny students that has reading's internal or

real their hobby. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that studying is not important, boring along with can't see colorful pics on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this The North Pole Employee Handbook: A Guide to Policies, Rules, Regulations and Daily Operations for the Worker at North Pole Industries can make you experience more interested to read.
