This book is based on the same concepts and research that informs the classic leadership book *The Leadership Challenge, Fifth Edition*, this guide uses anecdotes from real young people, quotes from famous leaders, experiential activities, writing assignments, and reflection questions to walk young people ages 12-18 who have little to no leadership understanding or experience through the core concepts of The Five Practices Model. The guide is written in a prescribed workshop format where every segment of the delivery will be scripted and timed for ease of use.
