Westlake Soul Rio Youers

"All superheroes get their powers from somewhere. A radioactive spider bite. A science experiment gone awry. I got mine from a surfing accident in Tofino. The ultimate wipeout. I woke up with the most powerful mind on the planet, but a body like a wet paper bag . . ."

Meet Westlake Soul, a twenty-three-year-old former surfing champion. A loving son and brother. But if you think he’s just a regular dude, think again; Westlake is in a permanent vegetative state. He can’t move, has no response to stimuli, and can only communicate with Hub, the faithful family dog. And like all superheroes, Westlake has an archenemy: Dr. Quietus—a nightmarish embodiment of Death itself. Westlake dreams of a normal life—of surfing and loving again. But time is running out; Dr. Quietus is getting closer, and stronger. Can Westlake use his superbrain to recover . . . to slip his enemy’s cold embrace before it’s too late?
