Zed and ballet are my two greatest loves

It took all of Aly's strength to get them back after a tragic accident ripped them from her six years ago. A long road to recovery led to her return, dancing full-time for the District Ballet Company and carrying Zed's child. But Aly is slipping. Each day becomes a fight to keep her career from crumbling under the weight of younger talent, the scrutiny of the public eye and the limitations of her ever-changing body. A fight she fears she's losing.

I'm scared Aly is broken to her core

Zed recognizes the signs, but he doesn't know how to fix her. The accident left him with his own demons, and while he wants nothing more than to take care of the woman he loves, it's getting harder the farther downward she spirals. When Aly's life is threatened and Zed's injuries prevent him from saving her, he's never felt so useless, so afraid he's not capable of being the man Aly and their child needs.

With new life comes new hope. And with their fractured lives already hanging by a thread, Aly and Zed must discover if they have what it takes—both together and apart—to rebuild and carry on.
