From Tragedy to Destiny: A Vision of America's Future

Julie Rowe

From Tragedy to Destiny: A Vision of America's Future Julie Rowe
In 2004, Julie Rowe was a happy wife and mother. Then her health took a turn for the worse. While in a weakened state, her spirit left her body and entered the Spirit World.
An ancestor named John greeted her there and showed her many wonderful places. He also allowed Julie to read from the Book of Life, which showed her a panorama of the earth s past, present, and future. These scenes included the Savior s mortal life, along with his crucifixion and resurrection.
During her time in the Spirit World, Julie met several of the Founding Fathers of the United States. They expressed their worries about the country s eroding moral fabric, and she promised to share their counsel and warnings when she returned to earth.
Julie was then shown upcoming world events that will be both tragic and glorious. Earthquakes, famines, plagues, and wars are coming to the United States, but Julie saw how God is preparing places of safety to protect righteous people from the coming calamities. She was shown that after the turmoil, America will rise above these tragedies and fulfill its destiny as a bastion of freedom and liberty.
Throughout the book, Julie stresses that we must not delay our preparations for these coming troubles. These events are not far off, and From Tragedy to Destiny will help you be ready for what awaits America.

Publisher s Note: This book includes material that appeared in the author s previous books A Greater Tomorrow and The Time is Now. However, much of that content has been condensed or revised so that the author could include never-before-published anecdotes and other pertinent information.
