No Kissing Allowed Melissa West

A new adult romance from Entangled's Embrace imprint...

No kissing. No touching. And definitely no falling in love...

Armed with her besties, an embarrassing number of shots, and her list of *10 Wild Things To Do Before Adulthood*, recent grad Cameron Lawson is partying it up before she starts her dream job at New York's biggest ad agency. Her last task? Hook up with a random guy. And while it's so not her style, the super-sexy guy sitting next to her is definitely game. No names. No details.

At least, that was the plan.

On her first day of work, Cameron discovers her hook-up is none other than Aidan Truitt-her new boss's *boss*. Talk about failing the "no fraternizing with coworkers" policy on an epic level. Especially when Aidan makes it clear their one night was only the beginning. Falling for him could cost her everything, but sometimes the only way to get what you want is by breaking a few rules...
