MPREG ROMANCE

Ryan Oakley, lead singer of Bad Oak and heartthrob extraordinaire, isn't looking for a girlfriend. He's definitely not looking for a boyfriend, but after the explosive encounter he has with a guy he meets backstage, he realizes he's more flexisexual than he'd thought. Of course, suddenly being able to shift into a wolf is an unexpected side effect he didn't expect and can barely control.

Bardulf Forst is Alpha-Heir to his pack, but he can't resist his little sister when she begs him to meet Ryan Oakley. When he realizes the sexy singer is his mate, he can't deny instinct. He claims the famous rock star even though he knows his father won't approve: heirs are supposed to have children and two males can't reproduce.

Little do they know that they're about to experience an ancient shifter biological imperative: when two male Alphas mate, unexpected miracles sometimes happen.
