**Rod the Autobiography** Rod Stewart
Rod the Autobiography is like a ballad, full of passion. Out of the spotlight, the author finally prepares to look back at every stage of his life with a frank and playful attitude. The autobiography introduces his humble origins, his bandmates, his love (including three former wives and eight children) and decades of journey around the world. Rod shows his fascinating and most remarkable personal life. Rod is good at re-shaping and continually redefines himself. In this book, you will see a sometimes uninhibited and sometimes fragile and sensitive ¡°rock rooster¡±.
