Thieves in the Temple: America Under the Federal Reserve System Andre Eggelletion
What the average person does not know about the directors of our monetary policy, the Federal Reserve, is the fact that there is absolutely nothing "Federal" about the Federal Reserve System, and neither does it have any "Reserves." In his astonishing new book, "Thieves in the Temple: America under the Federal Reserve System," Andre Eggelletion reveals facts about how the American economy operates that every American deserves to know. He establishes a historical perspective, by discussing the definitions and functions of money, and how the idea of a central banking system evolved through American history.
