Winning the Day Trading Game: Lessons and Techniques from a Lifetime of Trading

Thomas L. Busby

Winning the Day Trading Game: Lessons and Techniques from a Lifetime of Trading Thomas L. Busby
Take a proven approach to short-term trading.

Winning the Day Trading Game offers an insider's view of the trading life and provides proven strategies for profitable trading. Professional trader Tom Busby explains how the strategies that made him so much money early on in his career ultimately failed during the 1987 stock market crash and then reveals how he reinvented himself as a high-percentage day trader. He interweaves personal experiences with technical explanations to outline the cornerstones of his technique. In highlighting his own trading experiences, Busby clearly explains how to beat the market by balancing the impulses of greed and fear, managing risk at all times; and taking responsibility for your trading.

Thomas L. Busby (Mobile, AL) has been a professional trader and broker for 25 years, working with Merrill Lynch and Smith Barney. He founded the Day Trading Institute in 1996 and it has grown into one of the most successful trading schools in the world.
