22 Dead Little Bodies: A Logan and Steel Short Novel Stuart MacBride

DI Logan McRae and his infuriating boss, DCI Roberta Steele, investigate a chilling dispute between neighbours that escalates out of control. Includes an extract of the new Logan McRae novel, *The Missing and the Dead*.

CID isn't what it used to be....

It's been a bad week for acting detective inspector Logan McRae. Every time his unit turns up anything interesting, DCI Steel's Major Investigation Team waltzes in and takes over, leaving CID with all the dull and horrible jobs. Like dealing with Mrs Black - who hates her neighbour, the police, and everyone else. Or identifying the homeless man who drank himself to death behind some bins. Or tracking down the wife and kids of someone who's just committed suicide.

But when the dead bodies start turning up, one thing's certain - Logan's week is about to get a whole lot worse....
