Blue Heaven [AUDIOBOOK] [Audio CD] [Unabridged] C.J. Box
A twelve-year-old girl and her younger brother go on the run in the woods of northern Idaho, pursued by four men they have just watched commit murder-four men who know exactly who the children are, and where their desperate mother is waiting patiently by the phone for news of her children's fate. In a ranching community increasingly populated by L.A. transplants living in gaudy McMansions, the kids soon find they don't know whom they can trust among the hundreds of retired Southern California cops who've given the area its nickname: "Blue Heaven."
