Counseling Across Cultures

Counseling Across Cultures
The **Sixth Edition** of **Counseling Across Cultures** contains various perspectives on counseling individuals from a substantial number of diverse cultural contexts. The contributors examine the cultural context of accurate assessment and appropriate interventions in counseling, highlighting work with groups including African Americans, Asian Americans, Hispanics, American Indians, refugees, and international students. In addressing these wide-ranging issues, this volume articulates the positive contributions that can be realized when multicultural awareness is incorporated into the training of counselors.
