Endymion (Hyperion Cantos, Book 3)

Dan Simmons

Endymion (Hyperion Cantos, Book 3) Dan Simmons
The multiple-award-winning science fiction master returns to the universe that is his greatest triumph--the world of *Hyperion* and *The Fall of*
Hyperion --with a novel even more magnificent than its predecessors.

Dan Simmons's *Hyperion* was an immediate sensation on its first publication in 1989. This staggering multifaceted tale of the far future heralded the conquest of the science fiction field by a man who had already won the World Fantasy Award for his first novel (*Song of Kali*) and had also published one of the most well-received horror novels in the field, *Carrion Comfort*. *Hyperion* went on to win the Hugo Award as Best Novel, and it and its companion volume, *The Fall of Hyperion*, took their rightful places in the science fiction pantheon of new classics.

Now, six years later, Simmons returns to this richly imagined world of technological achievement, excitement, wonder and fear. *Endymion* is a story about love and memory, triumph and terror--an instant candidate for the field's highest honors.

From the Paperback edition.
