European Union Law for International Business: An Introduction Bernard Bishop
Written specifically for exporters and those without legal training, this book is an introduction to the business laws of the European Union that need to be understood by those operating outside the EU. It is a practical guide to the regulatory and procedural issues that exporters and businesses need to be aware of. While providing an overview of how the EU operates as a governing body, the book addresses the key matters that exporters will face during their business transactions. Topics covered include: • Direct export transactions to the EU • Exporting via an agent or distributor • Customs laws and procedures • Resolving international business disputes • How to establish a permanent business presence within the EU The book uses case studies to illustrate how these transaction types can be applied to real world business dealings. It is an essential resource for anyone involved in international business with customers in the European Union.
