Everyone thinks Boz Gentry died in a fiery traffic accident, but Roy Ballard and Mia Madison aren't convinced. As legal videographers, it's their job to provide evidence of insurance fraud—and the more they dig into the Gentry case, the more they realize this might be the most elaborate scheme they've ever encountered. Of course, when millions of dollars are at stake, con men will take drastic steps to protect their scam—including arson, assault, or even murder. Can Roy and Mia unravel the conspiracy before the criminals get desperate enough to kill?
