Promise Me Forever (Lost Lords)

Lorraine Heath

Promise Me Forever (Lost Lords) Lorraine Heath

On the outside, Lauren Fairfield appears the very picture of cool, contained nobility and blueblood British sophistication. Inside, however, she longs for Tom, the charming rogue she loved—and lost.

Now a sinfully handsome would-be gentleman has arrived in London—and Lauren nearly swoons when she realizes it is her Tom, grown to magnificent manhood. He has come to claim his lost title as Earl of Sachse . . .and to fulfill an oath once made by two young lovers beneath a long-ago moon, a scandalous promise no proper lady would dare honor.

Lauren could never love a staid and stifling lord, and Tom's future is the aristocracy. So she will teach him their ways before she exits his life forever. But the wildness she adored still lives in Tom's heart—and he will not rest until he proves to the proud, resisting beauty that "forever" is a promise that *must* be kept . . .
