Queen of Likes (mix) Hillary Homzie
A tween social media queen is forced to give up her phone and learn that there's more to life than likes in this M!X novel from the author of *The Hot List*.

Karma Cooper is a seventh grader with thousands of followers on SnappyPic. Before Karma became a social media celebrity, she wasn't part of the in-crowd at Merton Middle School. But thanks to one serendipitous photo, Karma has become a very popular poster on SnappyPic. Besides keeping up with all of her followers, like most kids at MMS, her smartphone—a bejeweled pink number Karma nicknamed Floyd—is like a body part she could never live without.

But after breaking some basic phone rules, Karma's cruel, cruel parents take Floyd away, and for Karma, her world comes to a screeching halt. Can Karma—who can text, post photos, play soccer, and chew gum all at the same time—learn to go cold turkey and live her life fully unplugged?

Thomas White:

As a pupil exactly feel bored to be able to reading. If their teacher inquired them to go to the library or make summary for some book, they are complained. Just small students that has reading's spirit or real their pastime. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that reading is not important, boring in addition to can't see colorful photos on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Queen of Likes (mix) can make you really feel more interested to read.
