Congo

Thomas Turner

Congo Thomas Turner
The Democratic Republic of Congo has become one of the world's bloodiest hot spots. 2003 saw the end of a five-year war in which millions lost their lives - one of the deadliest conflicts since World War II. Despite recent peace agreements and democratic elections, the country is still plagued by army and militia violence. Congo remains deeply troubled, since the deep-rooted causes of conflict have not been adequately addressed.

The conflict in the DRC has divided opinion; some call it a civil war, or a war of aggression by the country's neighbours; others a continuation of Rwanda's Hutu-Tutsi conflict on Congolose soil, and a war of partition and pillage. The prevalence of rape and sexual violence has led some analysts to mark it out as a hidden ‘war against women'. Tom Turner's insightful book reveals how each of these descriptions accurately captures the separate elements of this complex and multidimensional political conflict. In exploring each of these contributory factors, he shows how current attempts to rebuild the shattered state and society of DRC are doomed to fail. So long as the full complexity of the Congo crisis is not taken into account and a clear consensus as to its precise dimensions reached, the future looks bleak. The DRC, he argues, will likely remain a global hot spot for some time to come.

From reader reviews:

Sondra Spencer:

Nowadays reading books become more and more than want or need but also work as a life style. This reading addiction give you lot of advantages. The advantages you got of course the knowledge the actual information inside the book in which improve your knowledge and information. The data you get based on what kind of book you read, if you want get more knowledge just go with knowledge books but if you want experience happy read one together with theme for entertaining for instance comic or novel. Often the Congo is kind of guide which is giving the reader capricious experience.

James Daniels:

Your reading 6th sense will not betray a person, why because this Congo reserve written by well-known writer we are excited for well how to make book that could be understand by anyone who have read the book. Written with good manner for you, dripping every ideas and composing skill only for eliminate your own personal hunger then you still question Congo as good book but not only by the cover but also with the content. This is one reserve that can break don't judge book by its protect, so do you still needing another sixth sense to pick this specific!? Oh come on your reading through sixth sense already told you so why you have to listening to another sixth sense.

Russell Hardison:

Reading a book for being new life style in this yr; every people loves to read a book. When you read a book you can get a great deal of benefit. When you read ebooks, you can improve your knowledge, because book has a lot of information in it. The information that you will get depend on what forms of book that you have read. If you would like get information about your analysis, you can read education books, but if you want to entertain yourself look for a fiction books, these kinds of us novel, comics, in addition to soon. The Congo provide you with a new experience in reading a book.

William Leone:

What is your hobby? Have you heard this question when you got scholars? We believe that that question was given by teacher for their students. Many kinds of hobby, Everybody has different hobby. And also you know that little person such as reading or as reading become their hobby. You need to know that reading is very important along with book as to be the thing. Book is important thing to provide you knowledge, except your current teacher or lecturer. You discover good news or update with regards to something by book. Numerous books that can you go onto be your object. One of them is actually Congo.
