Stephen Jenner

Truth's Conflicts and Truth's Triumphs; Or, the Seven-Headed Serpent Slain: A Series of Essays, With an Allegorical Introduction on Some Chief Errors of the Day (Classic Reprint) Stephen Jenner Excerpt from Truth's Conflicts and Truth's Triumphs; Or, the Seven-Headed Serpent Slain: A Series of Essays, With an Allegorical Introduction on Some Chief Errors of the Day

In constructing an allegory as an introduction to the following Essays, the author has had respect to the common prejudice against whatever appears to be personal. It was necessary for him to exhibit the errors with which he had to conflict, and this he thought would be the most inoffensive mode, and also the safest, of bringing them before the reader, upon the principle of the motto he has chosen,

Diligite homines: interficite errores.

It has not been his desire to expose any individuals to shame, and therefore he has suppressed the names of the writers out of whose works he has gathered his examples of false doctrine and pernicious sentiment. In this he has also been actuated by a directly opposite consideration to that which influenced Pascal, in his celebrated Provincial Letters, exposing the dark and destructive subtleties of the Jesuits.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
