Brave New World and Brave New World Revisited Aldous Huxley

"Aldous Huxley is the greatest 20th century writer in English." —C*hicago Tribune*

Aldous Huxley is rightly considered a prophetic genius and one of the most important literary and philosophical voices of the 20th Century, and *Brave New World* is his masterpiece. From the author of *The Doors of Perception*, *Island*, and countless other works of fiction, non-fiction, philosophy, and poetry, comes this powerful work of speculative fiction that has enthralled and terrified readers for generations. *Brave New World* remains absolutely relevant to this day as both a cautionary dystopian tale in the vein of the George Orwell classic *1984*, and as thought-provoking, thoroughly satisfying entertainment.
