Her Bear for Life (BBW Paranormal Shapeshifter Romance) (Second Chance Shifters) Meredith Clarke
Drake knew that Mia was his mate when he first laid eyes on her at fifteen years old. The last thing he ever expected was for her to be taken away from him and for her not to return to their small Montana town until twelve years later.

Mia loved Drake with all of her young heart, but when all of her letters went unanswered, she assumed her parents were telling the truth when they said he'd moved on. Now, her mother's in the hospital and she's forced to return to Spring Creek, Montana and face him after all this time.

Drake's been waiting for his mate to return home, to get answers for why she left without looking back, and to claim her as his. Now Mia's back where she belongs, in his bed and in his arms, but someone is still trying to keep them apart. Little do they know that Drake is her bear for life, and has no intention of ever letting her go again.

Her Bear for Life is STANDALONE in the Second Chance Shifter Series. It contains a strong willed heroine, a sexy as hell Clan Chief, and sex in all the right places.
