In Her Genes

Ina Davis

In Her Genes Ina Davis
Can a child's innocence truly be preserved? Maybe in a perfect world.But in the world of three colorful young adults its highly unlikely.L Pierce anticipates the day that she can escape from her Jehovah Witness up bringing, and experience the world that she has been warned against from birth.She tries to ignore the fire that burns deep inside of her, but it's to no avail.If innocence is a given, then Marcy is the child that God turned his back on. Prosumed most likely to fail, Marcy rebels against all that is good, hoping to gain the attention of the one man whose love is non-existent.Promiscuity, lies, and murder seem to seal Marcy's fate, yet the strength of a positive male force shines light on her dark cloud.Some cries are blatant, boisterous, and wet. Lavar's cries are muffled, and muted before he has a chance to tell his truth.Born through a beloved lesbian couple,Lavar was assumed to be one in the same.With that assumption his innocence was stolen changing the lives of these three best friends forever
