Seattle p.i. Leo Waterman isn't looking for trouble when he and his forensic pathologist girlfriend Rebecca escape into the Washington wilder for a few days of relaxation -- it just seems to find him. An old friend has purchased some choice property here in North America's only rain forest and his posting of No Trespassing signs has incurred the wrath of every sportsman for miles around. But what starts as irksome harassment by the offended locals soon escalates into the real of the lethal. And it's just Waterman's luck to be in the epicenter of this murderous mess at the very moment it bursts into flames.
